

Acceptable Use Policy

This policy covers what content you cannot use with our Services. We have listed a few examples of inappropriate content below, but like anything this is not limited to what we have listed and we trust that common sense will always prevail.

Inappropriately Flagged Content

Sometimes we flag and then investigate content to ensure it is not inappropriate and complies with this AUP and our Terms of Use

https://tellyo.com/assets/legal/Tellyo_Terms_of_Use.pdf

Examples of Inappropriate Content

Here are examples content we deem unacceptable:

- Pornographic content
- Unethical behaviour such as animal abuse, drug abuse or bomb making.
- Violent content
- Pirated content
- Hate speech (sexist, xenophobic, racist, homophobic)
- Illegal content
- Defamatory content.
